~Service plan pricing and monthly payment pricing is for new vehicles up to one month of age since first registration. Both are inclusive of VAT.

Take the hassle out of servicing your car by opting for a Mazda Service Plan from your Mazda dealer. For a manageable monthly sum, your annual Mazda servicing can be covered for 3 years or up to 37,500 miles*[^] (whichever you reach first). Contact your Mazda dealer for more information on the options available. At participating dealers only.

*The maximum service interval for your Mazda is 12,500 miles (^10,000 miles for the Mazda2 Hybrid) or 12 months whichever occurs first, however, the scheduled servicing intervals may reduce based on the style of driving and the conditions under which your vehicle is operated.

Mazda Service Plans cover parts, labour & fluids at the prevailing VAT rate for the first three scheduled services. You have the choice of paying for your Mazda Service Plan with a one-off payment, or by monthly Direct Debit payments over the duration of the Plan. Please contact your Mazda Authorised Dealer for more information. The servicing for Mazda Service Plans can only be carried out at a Mazda Authorised Dealer. At participating Dealers only and plan must be activated prior to the vehicle's first service.
