MAZDA MX-5

PRICES & SPECIFICATIONS

MAZDA MX-5

Every Mazda we create is designed around one thing, you. Each car is engineered not only to move you physically, but also emotionally. We call this Jinba Ittai, meaning a sense of oneness between car and driver. Inspired by Japanese tradition, it symbolises the oneness between horse and rider, something entirely natural, like a true extension of your being that brings pure driving pleasure. The pure essence of this can be found in our best-selling two seat sports car, the Mazda MX-5. Featuring a front-engine, rear-wheel drive layout, signature 50:50 weight distribution, famed 6-speed gearbox and free-revving choice of engines, it's guaranteed to put a smile on your face every time you press the ignition switch. Don't just take our word for it, the Mazda MX-5 has won countless awards, and continues to do so.

The MX-5 is offered with a light and free-revving 1.5 132ps Skyactiv-G engine to provide pure driving pleasure. The emphasis behind the engine and driving characteristics creates a car that moves exactly as the driver expects, with manageable power and lightness that adds to the sheer agility of the car. However, if you want something with more performance, then the 2.0 184ps Skyactiv-G will satisfy your speed-seeking thrills. Coupled with an Asymmetric Limited Slip Differential, sports suspension with Bilstein dampers and a front strut brace for extra rigidity, it makes the ideal choice for those seeking a more track focused sports car.

THE LATEST IN TECHNOLOGY & CONVENIENCE

MAZDA CONNECT

The latest in-car infotainment

Mazda Connect allows for seamless connectivity between you and your Mazda. Information is displayed on a beautiful & clear central 8.8" screen which is perfectly positioned at eye level.

Access vehicle information and settings, entertainment options including DAB Radio, connect your smartphone via Bluetooth to make and receive calls, access your contacts, and utilise the European wide Navigation system which comes with 7 years of free map updates.

WIRELESS APPLE CARPLAY® & ANDROID AUTO™

Smarter, safer way to use your smartphone

With Apple CarPlay®, get easy access to Apple Music, Maps, Messages and make phone calls with Siri through the car's Multimedia Commander or voice commands.

Android Auto™ also allows you to access your favourite music and messaging apps, Google Maps and YouTube Music. Google Assistant voice control helps you send and receive messages, make calls, get directions and plan your day while you keep your eyes safely on the road.

THE LATEST IN TECHNOLOGY & CONVENIENCE

BOSE PREMIUM SOUND SYSTEM

Made to move you

Fitted as standard to our Exclusive-Line and Homura grades, the high performance speakers make you feel like you're at the front row of your favourite concert. Featuring speakers in both the driver & passenger headrests, the Bose Sound System in the MX-5 will make you feel even more immersed in whatever you're listening to, roof up, or down.

MULTIMEDIA COMMANDER

Easy to use, driver centric, eyes on the road

The Multimedia Commander provides simple and easy access to the Mazda Connect infotainment system. The tactile feel plays to the senses allowing for ease of use whilst on the move, and more importantly, allows you to keep your eyes on the road.

MAZDA MX-5 RF

	Medium	48.7 (5.8)	48.7 (5.8)	44.8 (6.3)	44.1 (6.4)
	High	52.3 (5.4)	52.3 (5.4)	48.7 (5.8)	47.9 (5.9)
	Extra High	42.2 (6.7)	42.2 (6.7)	40.4 (7.0)	39.8 (7.1)
	Combined	45.6 (6.2)	45.6 (6.2)	41.5 (6.8)	41.5 (6.8)
WLTP CO_2 emissions[1)] (g/km)		140	140	153	153
EC emission level		Euro Stage 6	Euro Stage 6	Euro Stage 6	Euro Stage 6
Recommended fuel		Unleaded 95 RON	Unleaded 95 RON	Unleaded 95 RON	Unleaded 95 RON
Fuel tank capacity (litres)		45	45	45	45
Weights					
Maximum Kerb weight (kg) incl. driver (75kg)		1,106	1,137	1,128	1,171
Permitted gross vehicle weight (kg)	Total	1,230	1,280	1,260	1,305
	Front/rear	625 / 605	635 / 645	645 / 615	645 / 660

[1)] Figures shown are for comparability purposes and may reflect Euro 6d or Euro 6e testing procedures. Please speak to your Mazda dealer for confirmation; only compare fuel consumption and CO_2 figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. All figures quoted are derived from the latest WLTP test cycle.

SKYACTIV ENGINE TECHNOLOGY

e-SKYACTIV G

Both the 1.5 132ps and 2.0 184ps Skyactiv-G engines are highly efficient direct-injection petrol engines that achieve impressive engine efficiency thanks to the high-compression combustion, resulting in excellent fuel economy and low CO_2 emissions.

The 1.5 132ps Skyactiv-G has been designed to provide pure driving pleasure. With the light weight that the 1.5 engine provides, the MX-5 weighs just 1,106kg*. Combined with its 50:50 weight distribution and free-revving engine, this creates a car that moves exactly as the driver expects, with manageable power and lightness that adds to the sheer agility of the car. It is all the MX-5 you will ever need.

However, for those that demand more power, the 184ps version will provide you with the thrills that you are looking for. Our latest 2.0 engine has a redline of 7,500 rpm and will accelerate from 0–62 mph in just 6.5 seconds.

i-ELOOP

Helped by the MX-5's lightness, performance hasn't come at the cost of efficiency with the introduction of Mazda's i-ELOOP kinetic recovery and i-stop (stop-start) technology which is equipped as standard, resulting in a fun, yet economical drive.

The i-ELOOP system recovers energy while decelerating and braking. The recovered energy is used to power electrical systems such as the audio, air conditioning and headlights to put less stress on the engine.

i-stop

While conventional idling stop systems rely on a starter motor to restart the engine, Mazda's i-stop restarts the engine through combustion. The result is a quick and quiet engine re-start compared to other systems and a saving in fuel.

*Mazda MX-5 Roadster 1.5 132ps Prime-Line.

SKYACTIV-VEHICLE DYNAMICS: TRANSMISSIONS, CHASSIS AND BODY

TRANSMISSION

SKYACTIV-MT is a light and compact manual transmission system that combines superior fuel economy with the crisp shifting feel that is expected of a sports car, ensuring perfect control and driver engagement.

SKYACTIV-CHASSIS

Providing a lightweight chassis that delivers driving pleasure and comfort, leading to that pure 'Jinba-ittai' oneness between car and driver. The perfectly fine tuned chassis provides our famed driving experience of agility at low and medium speeds, and stability at motorway speeds for both driving pleasure and comfort.

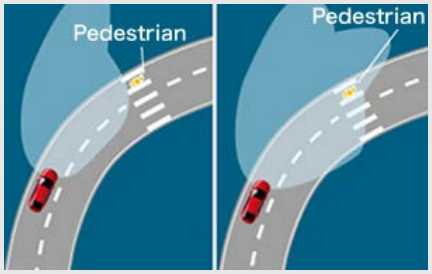

SKYACTIV-BODY

For a car to excel in its basic functions - accelerate, turn and stop - it must have a lean body, but also be sturdy to ensure safety. Mazda MX-5's body has been designed around these elements leading to a light, rigid and robust body that ensures safe and joyful driving.

When a crash is unavoidable, the Skyactiv-Body delivers excellent collision protection with the unique structure and lightweight high-strength materials ensure the MX-5's body absorbs and disperses impact energy to prevent cabin deformation.

ADVANCED SAFETY TECHNOLOGY

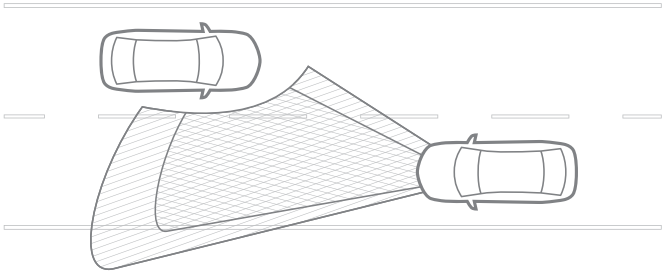

Without AFS With AFS

ADAPTIVE FRONT LIGHTING SYSTEM

One of the most important factors in mitigating driver fatigue and increasing safety during night driving is providing a well-illuminated field of view. The Adaptive Front lighting System optimises distribution of light from the headlights according to driving circumstances. Depending on vehicle speed and steering input, the system points the low-beam headlights in the direction the driver intends to travel.

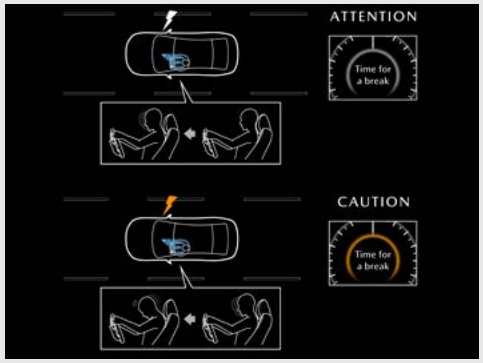

(Standard on 132ps Exclusive-Line models only)

ADAPTIVE LED HEADLIGHTS

Mazda's Adaptive LED Headlights provide the ultimate in headlight technology, lighting up the road ahead as if it were daytime and allowing anybody to enjoy safe and stress-free driving at any time of day. The system increases visibility at night to help drivers stay vigilant by combining three technologies: Wide-range Low Beams which light up a wider area at low speeds, Highway mode which helps you see further when travelling at speed, and Glare-free High Beams which automatically dim part of the illuminated area to avoid dazzling other drivers.

(Standard on 184ps Exclusive-Line & Homura models)

DRIVER ATTENTION ALERT

Designed to reduce accidents caused by inattentiveness due to driver fatigue. The system comes into play at speeds above 40mph and begins to "learn" the driver's habits, watching inputs and the vehicle's movements in the early stages before fatigue is a factor. Later, if the system detects changes in vehicle behaviour that suggest the driver may be losing concentration, it will suggest a rest stop by sounding a chime and displaying a warning in the Multi-information display.

(Standard across the range)

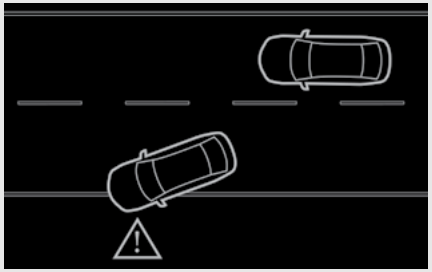

ADVANCED SAFETY TECHNOLOGY

KINEMATIC POSTURE CONTROL

All Mazda MX-5 models feature Kinematic Posture Control (KPC). Mazda's KPC system is designed to increase stability during cornering without impacting the purity of the Mazda MX-5's handling and driver engagement. The KPC system applies a very small amount of brake force to the inner/unloaded rear wheel during cornering. The resulting brake force pulls the body down, suppressing body roll to provide more reassuring cornering.

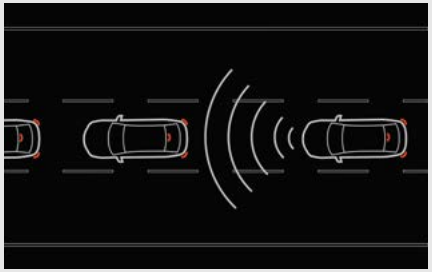

(Standard across the range)

LANE-KEEP ASSIST SYSTEM WITH LANE DEPARTURE WARNING SYSTEM

Designed to prevent your vehicle from inadvertently straying from its lane. A front view camera monitors the road ahead and calculates the cars position relative to the lane markings. If the system detects the vehicle is moving out of its lane unintentionally, the steering wheel will vibrate and an audible alert will sound. The system will also take corrective action to help you stay within the lanes through assisted steering.

(Standard across the range)

SMART BRAKE SUPPORT – FRONT

Alerts the driver of a possible collision using the warning indications in the display and a warning sound if the front radar sensor and Forward Sensing Camera determine that there is the possibility of a collision with a vehicle ahead, pedestrian, or a bicycle. Furthermore, if a collision is unavoidable, the automatic brake control is performed to reduce damage in the event of a collision.

(Standard across the range)

SMART BRAKE SUPPORT – REAR

Reduces damage in the event of a collision by operating the brake control when the system's sensors detect an obstruction at the rear.

(Standard on Exclusive-Line models and up)

VEHICLE TAX RATES

VEHICLE TAX RATES TAX YEAR 2026-27

CO_2 EMISSIONS FIGURE (G/KM)	ALL CARS FIRST YEAR RATE	ALL CARS STANDARD RATE (12 months)
0	£10	£200
1-50	£115	£200
51-75	£135	£200
76-90	£280	£200
91-100	£365	£200
101-110	£405	£200
111-130	£455	£200
131-150	£560	£200
151-170	£1,410	£200
171-190	£2,270	£200
191-225	£3,420	£200
226-255	£4,850	£200
Over 255	£5,690	£200

First-year rate is paid when first registering a vehicle and is for the first 12 months Vehicle Excise Duty. After the first 12 months, the standard rate applicable at that time is payable. Petrol/diesel/alternative fuel cars with a list price >£40k will be subject to a premium of £440 over the Standard Rate for 5 years from the start of the second licence.

WARRANTY

All Mazda cars registered from 1st September 2025 will benefit from a six-year manufacturer's warranty, or 100,000 miles, whichever comes first.

6 YEAR | MAZDA WARRANTY

MAZDA SERVICES

The maximum service interval for your Mazda is 12,500 miles or 12 months whichever occurs first, however, the servicing intervals may reduce based on the style of driving and the conditions under which your vehicle is operated.

MAZDA FINANCIAL SERVICES

Mazda Financial Services offers a variety of finance and insurance products to suit the needs of both private and business customers. With our wide range of plans and services, no-one is more committed to delivering complete motoring confidence and total peace of mind than Mazda and Mazda Financial Services.†

MAZDA CAR INSURANCE

Mazda Car Insurance is a fully comprehensive monthly subscription policy with no hidden fees – change your details, renew or cancel, without any charges. You can set up and manage your policy online anytime, anywhere. In just a few clicks, changes are applied immediately, meaning no waiting for paperwork, estimates or call centres. Plus, your price is guaranteed for 12 months if everything stays the same.

Enjoy benefits such as the use of a Mazda Approved Accident Repair Centre, Mazda Genuine Parts, a courtesy car, uninsured driver cover, UK accident recovery, and more.

Find out more at www.mazdamotorinsurance.co.uk

Mazda Car Insurance is arranged and administered by Wrisk Transfer Limited, registered in England and Wales No. 10657213 at 45 Gresham Street, London, EC2V 7BG and authorised and regulated by the Financial Conduct Authority, Firm Reference No. 788062. Please read the policy wording for full terms, conditions, exclusions and excesses.

FREE MAZDA ACCIDENT AFTERCARE

In the event of an accident, Call Mazda First 0800 015 0367 before your insurer for free 24-hour Accident AfterCare and to redeem your £250 Excess Return voucher. Our dedicated case handlers will liaise with your insurer and arrange Mazda Genuine Parts and repairs at a Mazda Approved Bodyshop, keeping your Mazda 100% Mazda and maintaining your Mazda warranties. We'll also provide accident recovery if your Mazda isn't driveable and a free courtesy car during the repair. Terms and conditions apply.

Save 0800 015 0367 to your mobile phone.

TAX FREE – DIPLOMATIC AND MILITARY SALES
For further information contact your Mazda dealer or contact Mazda on 03457 48 48 48.

MOTABILITY
For all Motability enquiries please contact your Mazda dealer or contact Mazda on 03457 48 48 48.

MAZDA DRIVEAWAY INSURANCE

Benefit from up to 5 days free cover when you buy a new or used Mazda from an authorised Mazda Dealer - you'll also get a quote for Mazda Car Insurance.

Find out more at www.mazdamotorinsurance.co.uk/driveaway

This price list, dated 1 April 2026, supersedes all previous price lists. It includes changes to Vehicle Excise Duty as confirmed in the Autumn 2025 budget affecting recommended 'On the Road' prices. Final prices shown are recommended 'On the Road' prices and are inclusive of number plates, 12 months' Vehicle Excise Duty and first registration fee. Certain models may be subject to changes in CO_2 emission levels and Vehicle Excise Duty Bands. Due to ongoing updates the specification (including fuel consumption, CO_2 emissions and equipment) of the vehicle you order and receive may be different to that detailed in this guide. Please speak to your dealer for the latest information. Images may not be to UK specification. †Subject to status to over 18s. Indemnities may be required. Terms apply. Mazda Financial Services.
